

APPLICATIONS NOW OPEN!

CLEMSON® UNIVERSITY

GRAND CHALLENGE SCHOLARS

Preparing a Generation to Tackle the Grand Challenges!

Clemson University's Grand Challenge Scholars program is now looking for their next wave of problem solvers to join the Fall 2022 Cohort. The Grand Challenge Scholars program embodies the solution-centric vision of the National Academy of Engineering, helping students engage in the real-world application of their classroom education through experiences such as research, international travel, seminar talks, and community outreach.

Visit us at our table on Library Bridge on Friday, September 23rd

Priority Applications Due Sunday, September 26th at 11:59PM

General Applications Due Friday, October 7th at 11:59PM
